

Classroom Expectations

Respect, Common Courtesy, and Common Sense

Respectful behavior includes

- Being Quiet (no whispering or verbal outbursts) while Professor Dobrinen is speaking at the board.
- Paying attention to the Professor at the board and to a classmate asking a question.
- Staying in your seat (no walking out of class except for emergency).
- A general rule of thumb is don't cause distractions.
Be kind and practice self-control.
- This classroom is a cell-phone-free, computer-free environment.

Persistent behavior issues will result in a lowered grade in the course and possibly removal to a different section.
